N: packaged into payment for other services; no separate APC payment

Note: values in red indicate those services which are paid at higher rates under OPPS

Note: above payment rates are not adjusted for regional payment variations

Note: 77372 is in a new composite APC, with payment to include all services performed during the procedure

Note: rounding applied

Note: Pt B conversion factor is \$35.8228 for the first three months of CY 2015, then \$35.7997 for the last 9 months
