

October 4, 2019

FROM: Your SATRO® Planning Committee

Dear Colleagues:

Please mark your calendar to join us at the 22nd annual meeting of the Southern Association of Therapeutic Radiation Oncology (SATRO®), which will be held April 23-24, 2019, in Atlanta, Georgia.

Over the past 21 years our not-for-profit organization (tax I.D. 56-2133609) has become the largest membership group for southern radiation oncology professionals, attracting over 2,000 attendees from 45 states, the District of Columbia, Canada and Puerto Rico. Our subject matter attracts physicians, therapists, physicists, administrators and others, from hospital, academic and freestanding cancer center settings, with meeting turnout averaging around 200.

Exhibit space is generally assigned quickly, so we wanted to give you sufficient time to budget for attendance and to file your exhibit application. For our 22nd annual conference we are offering an 'early bird' discount to those vendors who submit paid applications by November 15, 2019.

Due to some of the constraints regarding the marketing to and the offering of financial incentives directly to medical practices or to physicians, our conference offers pharmaceutical and medical equipment manufacturers a cost-effective means of gaining similar visibility among targeted end users. If attendance is not possible, you may wish to consider providing or sponsoring a presenter (see Speakers tab), supporting one of the scheduled food and beverage events, helping to defray other conference costs, e.g. flash drives, or providing give-aways such as T-shirts or tote bags (see Sponsors tab). In addition, limited pre- or post-conference meeting space is available for targeted client offerings.

To access program updates about speakers and the conference schedule, as well as lodging and registration specifics, please periodically check our website, www.satro.org. For related questions, if your company name begins with the letters A-M, submit your queries to Tim Kelly, Timothy.Kelly@Duke.Edu, or with the letters N-Z, to Raleigh Green, Raleigh.Green@balladhealth.org.

To register, please submit the form found at our website, with payment by mail to: SATRO®, P.O. Box 2496, Matthews, NC 28106 or by e-mail to: mysatro@aol.com. For other questions, call us toll free at 877-559-4548.

Please feel free to pass this information along to your interested colleagues.

We look forward to seeing you at our conference!
